

Flush-to-wall door collection

FLUSH - TO - WALL DOORS

Product characteristics

Flush doors feature an aluminum frame. The solution allows installing a hinged door with no jambs and architraves, completely flush with the wall. It grants a full integration between door panel, wall and ceiling.

DOOR LEAF:

Available all of collection: Mont Blanc, Gran Paradiso, Dent Blanche

SURFACE COVERAGE:

6mm thick slats made of old wood in brown (B) or gray (G) color.

LEAF FILLING:

Honeycomb core - door leaf thickness 43mm.

DOOR IN THE NON-REBATED VERSION

- Invisible hinges, adjustable in three planes,
- Magnetic lock with a key, optionally magnetic lock in the WC version, and with a cylinder insert.

Dent Blanche B.0.U

Gran Paradiso G.0.U
